MEMORANDUM FOR 552 ACW

FROM: ACC TRSS DET 6

SUBJECT: 24 – 27 October 2022 ADST Syllabus Review Board

1. On 25 October 2022 at 0930, TSgt Grindstaff (Det 6) kicked off the ADST SRB working group. The following individuals were in attendance: TSgt Timothy Richardson (965th), Mr. Peter Cox (Saguaro), TSgt Everitt Smith(552nd TRSS), MSgt Jessica Maier(A3CA), MSgt Michael Christian (TRGV), SSgt Whitney Corum (960th), and SSgt Evan Garnes (966th), MSgt Anthony Palmison (964th), and TSgt Stanley Joyce (552nd OSS) .
2. TSgt Grindstaff covered historical 206 data, and course critiques and some proposed changes to the ADST TTL and Syllabus. Additionally, it was requested that any future Memorandums of Agreement should dedicate at least one ground sortie per week for techs only. After going through all the proposed changes, the following were agreed upon by all stakeholders:

Require at least one flight before the M105.
Replace JTIDS with MIDS-JTRS at a 3b (3c in CT)
Remove DMS 1.5 tasks
Add DMS 4.0 tasks at a 3b (3c in CT)
Remove section 10
Change instructor duties to match new FIC/MCIU
Remove PTT events
Change all IPEC tasks to b
Replace MCMT with ground sorties, and have Saguaro instruct.
Remove ATD from syllabus and objective hierarchy.
Change DMS 3.0 tasks to a b due to aircraft availability.
